

Refresher or Audit a Training

Because many of our US Chapter members have asked for on-going support in addition to the e-letter and biannual education conferences.....

"What comes after THUMB OVER THUMB"? "How do I show "SUN/MOON"? "I've forgotten about..."

Do you have moments of uncertainty about the demonstration of strokes?
The Refresher has been created for you.

How can I take The Refresher?

Take a look at the Training Schedule online, find a training date/location that suits you, contact that Trainer and arrange for a Refresher Day.

You will be able to observe the parent-baby class, participate in the stroke reviews, and sit in for the core curriculum points covered that day.

The cost is \$100 to the trainer. If your Infant Massage USA membership is expired, renewing membership is required to attend. (\$75 to IM USA). If your manual and student resource packet are out of date, materials fee is \$45.

Audit

What if I never completed my certification and I took my training over a year ago?

To retake the 4 day certification with the goal of jump-starting yourself to complete your certification requirements, the Audit is for you.

Take a look at the Training Schedule online, find a training date/location that suits you, contact that Trainer and arrange to audit the training.

You will be able to observe with special focus on your internal learning process while hearing and seeing the core curriculum points delivered again.

The cost is \$325, half of the full 4 day tuition. If your Infant Massage USA membership has expired, renewing membership is required to attend. (\$75 to IM USA). If your manual and student resource packet are out of date, materials fee is \$45.

Taking a refresher or auditing a training supports YOU and your career in infant massage education, skills and general competencies. You'll come away with current information and be renewed in vision and goals. You may find new ways to join forces with colleagues and new Infant Massage USA(R) friends. Best of all, upon completion of the certification requirements, you'll have earned 4 letters after your name...CEIM!
